1. All teams are guaranteed 5 games. The pairings for the 4th and 5th rounds will be determined after the 3rd and 4th round games have been played. Except for the Championship games, I may adjust opponents to avoid A) games between league opponents B) long commutes C) to balance Home and Away games and D) To address personal requests that were made in a timely manner.

2. Unless something weird happens, every school should have at least 2 Home Games.

3. Re-scheduling Games, Rainouts, Etc

It is your responsibility to contact the other coach and come up with a mutually agreeable date to play. Original games must be played on the dates they are scheduled while rainouts must be done ASAP so that we can move on to Rounds 4 & 5.

Umpires: It is the responsibility of the Home coach to cancel the umpires as well as to ask for new ones to be assigned for the re-scheduled game

NOTE: If a game is canceled after the beginning of the game, I will have to pay the umpires, so it will be the responsibility of the HOME SCHOOL to pay the umpires for the re-scheduled game

4. **Baseballs:**The Home School will provide the baseballs.

5. **Mercy Rule:** Only by Mutual consent

4. **Tie Games:** must be resolved by the coaches immediately after the game so that we have a winner to move on to the 4th and 5th rounds. The criteria will be: A. Most Total Bases (hits, BB, errors, SB).

5. **Umpires:** Two for each game that will be assigned by the Assignor of the Home Team

The umpires will be paid by me **after** the Tournament has been completed.

6. **Reporting Scores:** Immediately after every game, please email me with your score.

7. **Contact Numbers:** I will send these to all coaches and Umpires at a later time.
